

DOROTHY LOUISE STEIN MEMORIAL SCHOLARSHIP

This scholarship is open to graduating seniors preferably studying science, technology, or engineering at U-W Madison, however, will consider another UW campus or Michigan Technological University. This scholarship is for \$2,000.

Name _____ Phone _____
Address _____
College _____ Major _____
Class Rank _____ GPA _____

The final choice of the scholarship winner will be based on the following:

- A) Preference to science, technology or engineer, other majors (natural sciences or environment) may be considered.
- B) Preference to attend UW-Madison, although other UW Campuses or Michigan Technological Univ. may be considered.
- C) Three Lakes High School activities, class standing, and need considered but not determinant.
- D) Applicants are to submit an essay of 500-1500 words on statement of college and career plans and your motivation for futhering your education.
- E) An interview of top applicants.

This scholarship will be paid directly to the finance office of the university the recipient is attending after receipt of evidence from the student of completed class registration for that semester. After the first semester a grade report will also need to be submitted in addition to the class registration for each subsequent semester.
