

**SCS Scholarship**  
(Secret Chocolate Society)  
WOMEN SUPPORTING WOMEN

The Secret Chocolate Society is an association of local women who meet to support each other in many aspects of life and share in each other's needs/goals. We would like to offer our support to students toward their life goals in the form of a scholarship. One \$250 scholarship is available to graduating seniors from the Three Lakes School District who will be enrolling in a vocational, technical or university program. The scholarship will be available directly to the student after successfully completing their first semester and providing proof of enrollment for the second semester. It must be used within a year of presentation. We extend our welcome to all applicants and recipients to join us at any of our meetings/functions to learn more about us and share their experiences.
