

Three Lakes Fire Department Scholarship

The firefighters of the Three Lakes Fire Department strongly encourage post high school education for the young adults of the Three Lakes School District. The Department is offering a scholarship to a Three Lakes graduate entering a vocational or technical, public service, training program.

The applicant will be selected on the basis of financial need, dedication toward learning, community service, and character. The applicant must write an essay of 200-300 words stating how this program will help them attain their goals.

The scholarship will be paid directly to the applicant's school to offset the cost of books, course fees, housing, etc.
