Press Release

Three Lakes District Exceeds Expectations on State Report Card

Three Lakes, Wisconsin — The Three Lakes School District is pleased to announce that the district has again received an “exceeds expectations” rating on the state report cards. The Wisconsin Department of Public Instruction (DPI) released the 2020-21 report cards on Tuesday, Nov. 16.

Overall, the district received a score of 73.7 for the 2020-21 school year, which puts it in the “exceeds expectations” category. Three Lakes Elementary received an 80.5, which is in the “exceeds expectations” category. Sugar Camp Elementary received a 76.6, which is in the “exceeds expectations” category; Three Lakes Junior High received a 59.5, which is in the “meets expectations” category; and Three Lakes High School received a 74.5, which is in the “exceeds expectations” category.

“The Three Lakes School District is dedicated to delivering excellent educational programming while focusing on continuous school improvement,” said District Administrator Teri Maney. “Informative data is not extracted solely from the criteria used in the school report card, but also in our local review and analysis. We want to be highly aware of what we are doing well and where we can improve our instruction resulting in increased learning outcomes and success of our students.”

This is the fifth year that the state report cards used legislatively mandated calculations. The report cards are intended to help schools and districts use performance data to celebrate successes and improve their efforts to prepare students for their futures. This year, however, the DPI also issued a cautionary statement with the report cards, stating that users should be careful when interpreting scores and ratings because of the COVID-19 pandemic. Report cards were not issued for the 2019-20 school year.

District Administrator Maney stated that although the pandemic presented challenges, she’s proud of how the district upheld its level of academic excellence.

“I am most proud of the fact that our district maintained onsite, five-days-a-week instruction while offering multiple opportunities for families faced with unique challenges during the heart of the pandemic,” Maney said. “Our students, staff and families demonstrated resilience and determination to continue with our educational mission. That is who we are and what we do.”

About TLSD - *Three Lakes School District is located in Oneida County, Wisconsin, in the heart of the Northwoods. Our district includes Sugar Camp Elementary, Three Lakes Elementary and Three Lakes Jr./Sr. High schools and the communities of Hiles, Monico, Piehl, Stella, Sugar Camp and Three Lakes. Our award-winning district has received a 2017 Magna Award Honorable Mention and has been recognized as a Title 1 School of Recognition.*
