From the Library Shelf...

This week's read has been a favorite of Sugar Camp students this year. She Persisted: 13 Women Who Changed the World by Chelsea Clinton highlights 13 separate women who persevered against great odds. Each short biography includes a beautiful illustration and quote from the person. Students that have read this book have really enjoyed hearing about the fight put forth by these women as they underwent struggles dealing with health, race, gender, and demographics. It is a compilation that will certainly influence any reader to push through any challenges that they face with grace and strength.

Kindergartners celebrated the 100th day of school all week long. They popped 100 balloons, found 100 Hershey Kisses, built towers with 100 Dixie cups, made a necklace with 100 fruit loops, built a structure with 100 Legos, licked a lollipop 100 times, built a structure with 100 marshmallows and toothpicks, and connected 100 number cards! What a fun week!
