Conservation Speaking Update

Kaya Szews earned a **1st place** finish at the county level of the Land and Water Conservation Speaking competition. With this win, she represented Oneida County at the area competition in Wisconsin Rapids on February 9.

We are pleased to announce that Kaya took 1st place at the area competition and will be representing Sugar Camp Elementary, Oneida County and her local area at state! The state speaking competition will take place on March 14 in Lake Geneva. Congratulations, Kaya! Best of luck at state!

Young Authors Workshop

Students in grades 1-8 will have the opportunity to meet Cody VandeZande, author and illustrator of the book, *A Great White Christmas*, and Abigail Bostwick, author of *The Great Cat Nap*. They will discuss what authors and illustrators do, where they get their inspiration, and the process of publishing a book. There will be hands-on writing and illustrating activities with the authors. Books will be available for sale and authors will have a book signing session. Students will also be provided with a light snack and writer's notebook. This event will take

place at the Tomahawk Elementary School on Saturday, April 21. Registrations forms are available in the office. Transportation would be available with Mrs. Blicharz if needed.

Lost and Found

Please check out the lost and found. Items not claimed by March 23 will be donated to the Jays Nest.

From the Library Shelf...

As Brave As You by: Jason Reynolds is a story about two young brothers who leave their city life in Brooklyn for a summer at their grandfather's house in rural Virginia. The summer is full of firsts for them both as they learn about their grandfather, each other, and themselves. Over the summer, they learn what it means to be brave and how to look to one another for courage. This is a lovely story about what it means to become a man and how to grow in confidence and bravery. Check it out today!

Sugar Camp Winter Olympics 2018!

Student Council and the Fuel Up To Play 60 Team partnered up to plan the Sugar Camp Winter Olympics 2018. All students K-6 participated in multi-aged groups led by 6th grade leaders. Each team represented a different country of the world and competed in nine different events. The events included: Obstacle Course, Snow Sculptures, Biathlon, Luge (aka penguin race), Frisbee Curling, Ice Snakes, Hockey Shoot Out, and Hot Cocoa/String Cheese Station (everyone's favorite).

The afternoon began with our own "opening ceremony" and concluded with a medal ceremony including the playing of the gold medal winner's national anthem. China was the bronze medal winner, Belgium took silver, and the gold medal team was Hungary!

Student Council and the Fuel Up Team would like to thank everyone for helping run events, loaning us equipment, taking photographs, and making our hot chocolate. It was a truly an "Olympic" afternoon.

Dental Health!

Mrs. Griesbach's 4K class was visited by a dental hygienist who talked to them about brushing their teeth the right way, limiting sugar intake, and how their adult teeth will grow in. The kids enjoyed learning about '**sugar bugs**' and '**monster breath**' which is what happens when you don't brush!
