- Dec. 22 Early Dismissal  
Busses leave at 12:45  
Christmas Break Begins
- Dec. 25 Merry Christmas
- Jan. 1 Happy New Year!
- Jan. 2 Back to School

### Christmas Program Rehearsal

Students in grades K-6 will be traveling to Three Lakes the morning of Monday, December 18. They will be rehearsing on stage in the auditorium that morning for the evening Christmas program and will be out of the building. We ask parents/guardians to have your children here on time that morning. In the event you need to make an appointment for your child, they will be out of the building as follows:

Grades K-3 ~ 8:40 - 10:35  
Grades 4-6 ~ 9:55 - 11:45

### Christmas Program

The annual Sugar Camp Christmas Program will be presented on Monday, December 18, starting at 6:30 p.m. It will be taking place in the Three Lakes High School auditorium and usually lasts about 90 minutes. Parents are asked to bring their K-6 children to the Three Lakes commons area by 6:15 p.m. Children will then be taken to the IMC and music rooms for final preparations before the program. We ask that students arriving before 6:15 be supervised by their parents/family members.

Students are expected to remain with their teacher until the end of the program. If you need to leave early from the program, please send a written note ahead of time that you will need your child earlier.

### Holiday Hat/Sweater Day

On Thursday, December 21, all are encouraged to wear their favorite holiday hat and/or sweater.

### Early Release Day

Friday, December 22, is an Early Release Day with students leaving at 12:30. Please make child-care arrangements as needed.

### Meal Accounts

For those who use a credit card to pay for student meals/expenses, the merchant provider will be changing. In order to continue using this service or if you are new and want to start using it, you will need to provide your credit card information. Please contact the school office with the information.

### From the Library Shelf...

During this holiday season, it's important to remember what Christmas is all about: spending quality time with family and friends and appreciating the little things that make life so joyful. *Christmas in the Big Woods* by Laura Ingalls Wilder is just the book to read with your family to help instill the belief that Christmas can be a lovely and simple holiday! In this book, the Ingalls family celebrates Christmas in its traditional

fashion, and it is a nice reminder that Christmas is more about memories made together than anything else. Reading this by a fire with some homemade cookies is a great new tradition to make with your family!

Look for progress reports that went home with students today!

### Fourth Grade Lab

Recently the 4th graders experienced the "blood and guts" of a minnow dissection lab. The students had an excellent time searching for and identifying body organs in the minnow. What a great way to end a unit on body systems!

### Skaters Hit the Floor Rolling!

You may have noticed your Sugar Camp elementary student talking about skating again in Physical Education this month. Students in grades third through sixth are participating in a roller skating unit in class. The students are renting the skates and wrist guards from Skatertime, a company from Minnesota. A skating unit is being implemented because it's a potential lifetime activity for students. Skating provides many benefits including balance, coordination, motor skills, and cardio-respiratory workout. Students are learning a variety of basic skating skills such as starting, stopping,

— corning, backward skating and a number of safety tips in order to become a smart skater. The students are doing a great job with the unit and are enjoying it. It is exciting to see the improvements in all of the kids at every skill level. There has been a lot

of positive feedback from parents on this unit. We would also like to take the time to thank the parents who donated extra money to help pay for students who were unable to cover the cost of this unit. Your support was overwhelming and appreciated.
