### Never Forgotten Honor Flight

Vern Stefonek, born, raised, and a lifetime resident of Sugar Camp will be traveling to Washington D.C. with the **Never Forgotten Honor Flight** in May. Growing up in Sugar Camp, he attended Sugar Camp School. After elementary school, he made the decision to attend Holy Cross Seminary in LaCrosse, followed by Mount St. Paul Seminary in Waukesha. It was after his time in the seminary that he enlisted in the United States Navy. His service started in Pensacola, Florida, then on to Scotland, Guam, and finally Imperial Beach in California. Vern has been an active member in the Sugar Camp Community for years and someone who always thinks of the students and staff at Sugar Camp School through numerous donations. We want to thank Vern for his years of service in the military to our country on our behalf. In addition, one part of the Honor Flight is "Mail Call", which is mail from home. We would like to encourage students, parents, and staff to send a card, note, or letter to Vern so that he will receive it as a part of this special event in his life. Cards and letters must be received no later than May 11.

Student Council will again be sponsoring their annual food drive. It's right around the corner! This year the food drive will take place from April 30-May 4. Students are asked to donate non-perishable food items. All items will help benefit the Three Lakes Food Pantry. Bring in your canned or boxed food, paper products, or other non-perishable household items and place them in the box outside your classroom door. Adults, if you will be attending the talent show on May 4, we ask that you bring in a non-perishable item the day of the show. Thank you

### From the Library Shelf...

Did you know that Tuesday, April 10th was National Farm Animal Day? Many families here in Sugar Camp have their own beloved farm animals, so the library wanted to recommend a book that deals with these wonderful creatures! **Wolf** by Valerie Hobbs is not your run of the mill farm animal story. This story revolves around a herding dog named Jack and his human, Luke. Jack's job is to keep the sheep at the farm safe from predators, but when a rabid wolf threatens to take out the flock, Jack and Luke must work together to protect their farm and its animals. Read this if you like suspense, adventure, and of course, animals!

The 2nd graders in Mrs. Pichowski's social studies class have been learning all about the regions of the United States. To show what they have learned, each student had to make a diorama depicting a specific region. Here are some students displaying their hard work! All of the 2nd graders worked hard on this project and were ecstatic to share their work with the class.
