

BLUEJAY BUZZ

ELEMENTARY EDITION

There is no doubt that fall is upon us. The leaves are turning colors, and the sun is setting earlier and earlier. If you're looking for something to do this weekend, come check out [Oktoberfest](#) in downtown Three Lakes. Several school organizations will be there working games or running booths. As always, [let us know](#) if you have any questions.

First Grade Works on Centers

In Ms. Stephen's class, this second week of school was all about learning routine and exploring the classroom. Each day, students work on math and literacy centers, which are ways to learn certain skills through small groups. Students spend 10 minutes at each center, and then rotate to another area for a new skill.

Japanese Artist Inspires 4th Grade

Polka dots everywhere — that's the theme of the pumpkins the fourth-grade has been working on in Ms. Wallschlaeger's art class. These creations are inspired by the work of Yayoi Kusama, a Japanese artist whose signature look is polka dots. Want to see them in person? Many of these pieces will be displayed at [PumpkinFest on Saturday, Oct. 12](#).

Save the Date: Homecoming 2019

Preparations are well under way for Homecoming 2019, which will be Friday, Oct. 4 this year. Mark your calendar now, and plan to attend the parade at 5:30 pm followed by the game at 7 pm against White Lake/Elcho. After the parade, you can head to the football field, where we'll be serving up hamburgers, hot dogs and drinks for all those who wear Bluejay colors. See you then!

New Equipment in Fab Lab

Fab Lab Three Lakes is sporting a few new items this school year, including a Roland TruVis printer/cutter that can be used for vinyl signs, stickers, posters and more. Other new items in the lab include a Ultimaker S5 3D printer; another 3D printer will be added later this fall. Open lab hours are every Tuesday and Thursday from 5 to 9 pm. Stop down and see the new equipment!
