## ARTrageous Performs at TLE

On Thursday, all students in the district had a chance to see a performance by ARTrageous, a theatrical and musical troupe that brings the joy of art to stages around the world. It was a highly interactive performance that had students singing and dancing. [Take a look at the photo gallery by clicking here.](#)

## Ride to School Contest Begins

Wednesday was Fire Prevention Day at school, so the Three Lakes Fire Dept., paid us a visit to talk about fire prevention. They also launched the Ride to School Program, a coloring contest for students in 4K-5th grade. Winners get to ride to school in a fire truck on Oct. 18 and have breakfast with the firefighters. **Entries are due by 3 pm on Monday, Oct. 14.** [Click here for more photos!](#)

## 5th Grade Studies Squirmy Worms

Does a worm like damp soil or dry soil? How about light or dark soil? In fifth grade, students applied their science learning by watching worm behavior and characteristics. They used black paper and damp cloth to mimic soil conditions and then recorded how the worms reacted to each stimuli. This will lead to another lesson on what worms do underground!

## STEM Scouts Signup Is Coming!

STEM Scouts signup is Oct. 17 at 6 pm in the IMC

for boys and girls in grades 3-5. This is the second year for the program at our school, and last year was a great success. Students learn about science, technology, engineering and math and then work through lab experiments throughout the year. Come out for more information and [click here to read more about the program.](#)
