

BLUEJAY BUZZ

ELEMENTARY EDITION

It's going to be a great weekend, so get out there and enjoy the last of the fall colors. Also, come out to see the Three Lakes Drama Club's performance of Oz on Friday and Saturday at 7 pm and Sunday at 1 pm. See below for more, and as always, [let us know](#) if you have any questions.

Building STEM Haunted Houses

It's the season of spooky, so this week, the first and third graders spent some time in the Kids Lab making haunted houses out of the building kits. The STEM-themed activity gave these young minds an opportunity to work on engineering skills, team communication skills and more. [Click here for a few more photos.](#)

Field Trip to Grampa's Farm

It was a little chilly, but the weather stayed dry for the 4K/kindergarten field trip this week to [Grampa's Farm](#) in Merrill. Students picked pumpkins, climbed hay bales and spent some time petting farm animals (including baby pigs!). They even befriended a turkey that followed them around for a while. It was a great way to cap off the fall season.

2nd Grade Builds Book Towers

Engineering at its most basic definition means using scientific principles to design structures. In second grade, students were challenged to use only paper clips and index cards to build a structure that would hold books. The winning structure supported 77 books! This STEM-themed activity challenged students to use trial-and-error and creative thinking.

Come See Oz this Weekend!

After many hours of practice and a lot of dedicated rehearsals, the Three Lakes Drama

Club is ready to present [Oz this weekend](#). So come on out and see the play! Tickets are only \$4 for adults and \$2 for students. AND, you can even get \$1 off for bringing in a nonperishable food item for the food pantry.

Red Ribbon Week Dress-Up Days

Next week, TLE Student Council is sponsoring Red Ribbon Week. Each day includes a dress-up day and themed activity to encourage healthy lifestyles and a drug-free world.
