Chess and Checker Club

Winter is a great time to learn a new game! Mrs Schomish has once again volunteered to run chess and checker club on Tuesdays and Thursdays in the IMC during noon recess for the months of January and February. She will teach students the fundamentals of the game and allow time to practice these skills. Please fill out and return the permission slips in the library to participate.

GAMER'S CLUB

The gamer's club is an activity based social time during lunch recess where students can participate in a variety of challenges and learn new games. It is held in Mrs. Margitan's room with a rotating group of students in mixed grade levels. Students who wish to participate can sign up on Tuesday morning for that day's activity. Please call 715-546-3323 if you have any questions.

The Three Lakes School District is hosting its Annual Preschool Screening and 4K Registration on Feb. 16, 2018 at the Three Lakes Elementary. If you have a child that is 3-4 years of age and lives in the Three Lakes School District, please call the Three Lakes Elementary at 715-546-3323 to make an appointment. Children who will turn 4 before September 1, 2018, will also be able to register for the 4-year old kindergarten class for the 2018-2019 school year. To register, please bring a copy of their birth certificate and current immunization records.

The Campbell's Soup program has ended and we will no longer be collecting "Labels for Education" labels. Thank you to all who have contributed in the past. Over the years, program points have been used primarily to purchase playground and indoor recess items.

Our next Citizenship Assembly is February 8 at 8:30 a.m. Students will be recognized for their efforts working on our January theme of "Positive Relationships". If your child is chosen as the Citizen of the Month, you will receive a letter in the mail personally inviting you to the assembly. All parents are welcome to attend! The assembly each month will have a guest speaker from the community or school to speak about the importance of that month's theme.
