Friday, March 23 is an Early Dismissal Day! Students will be dismissed from class by 12:20 and the buses will leave by 12:30!

Also, Spring Break will run from March 26 - April 2. School will resume on April 3, 2018.

When we return from Easter break, the students in grades 3-6 will be participating in state standardized testing. Grades 3-6 will complete testing between April 17 and April 27, with fourth grade going into the first week in May. All students in grades 3-6 will take tests in English/language arts and math, with fourth grade completing additional tests in social studies and science. Please make every effort to make sure your child has a good breakfast in the morning. Research shows that students who are well-rested and have eaten breakfast tend to do better on tests than those who have not slept well or who have not eaten.

**The Three Lakes Elementary Geography Bee will be held on Friday, April 6 @ 8:30 in the auditorium. All are welcome to attend!**
