

THREE LAKES ELEMENTARY

SCHOOL NEWS

SEPTEMBER 8, 2017

WELCOME BACK! We hope everyone enjoyed the first week of school and is adjusting to the routine of getting up and to school on time! There are a couple of things we need to let parents know as we continue through the school year.

- . **DROP OFF** - The school building is not supervised until 8:00 am. If you can avoid having your child in the commons before this time, please make every effort to do so. Students may not go to their lockers or classrooms until 8:00 am.
- . **START TIME OF CLASSES** - Students need to be in their classrooms by 8:15 am. If they arrive to class after this time, they will be marked tardy.

Thank you for understanding as we do all we can to make sure your students are safe while they are in our care. As always, if you have questions, please feel free to contact us!

What is Breakout?

Classrooms have been asked to implement a thirty minute time block in their daily schedule that will be devoted to individualized instruction. You will see this on your child's classroom schedule as "Breakout" time. During this time period, teachers will focus on specific learning objectives in areas that need extra practice, are extensions of lessons, or are exploratory in a specific interest area of a student or students. Students will work in small groups or individually and receive targeted attention from the teacher and staff. This is also a time when students who work with other teachers may be doing so without missing group instruction. The overall goal is to have students work to improve skills not yet mastered, reinforce learning that has taken place, or to work on a challenge or interest area. Please contact your child's teacher or the office if you have any questions.

Friday, September 22 is an Early Dismissal Day! Students are dismissed from classrooms at 12:30 pm. There are no 4K classes on this day.
