

THREE LAKES SCHOOL DISTRICT

2023-24

ANNUAL GOALS

1

TEACHING AND LEARNING

Provide professional learning opportunities for educational staff

- Build the co-teaching framework and begin expanding instructional opportunities through regular and special education collaboration.

Embrace and develop individualized learning options for all students and educators.

- Establish 7-12 Peer Observation and reflection practice by utilizing 4 hours of professional development time to observe and reflect on colleagues teaching practices to develop self-growth.

Continue to advance partnership opportunities by growing connections with local businesses.

- Further develop and expand Career Readiness Community of Practice program through the Academic Career Plan District Team.

2

POSITIVE SCHOOL CULTURE

Embrace our common Three Lakes School District Bluejay culture.

- What is a Bluejay? Develop a definition and description of the values of what it means to be a TL Bluejay.

Increase school spirit and pride through student and staff involvement.

- Identify primary student, staff and community leaders in group events.
- Encourage and enhance our “Student Voice,” to expand opportunities for participation, feedback and shaping of the Three Lakes Bluejay school spirit.

3

COMMUNITY CONNECTIONS

Develop a wide-reaching marketing campaign to inform, invite and recruit potential new families and students into our destination district.

- Develop a marketing digital/video, featuring student voice to tell the story of “Why I choose to be a Three Lakes Bluejay.”
- Feature Fitness Center as a spotlight of health and safety for our students, staff and community stakeholders.
