ON-TRACK INDICATORS

What makes students college ready, career ready and life ready? The answer is complex because we know students are more than a test score or a set of numbers. Here are a few indicators that our students are prepared for life beyond the classroom ... wherever it might take them.

ATTENDANCE RATE

Less than 10 percent absenteeism is a predictor of post-secondary success.

93% OF TLHS STUDENTS HAD AN ATTENDANCE RATE OF 90%

CO-CURRICULAR ACTIVITIES

Co-curricular activities give students an opportunity to be active in their communities and to take their learning beyond the classroom. Students who participate in co-curriculars do better academically and are better prepared for the next stages of life.

76% STUDENTS INVOLVED IN AT LEAST ONE ORGANIZED ACTIVITY.

STUDENTS INVOLVED IN TWO OR MORE ACTIVITIES **42%**

DUAL CREDIT COURSES

Access to dual credit classes in multiple pathways increases the likelihood of a student finding and starting a career pathway right after high school

23 STUDENTS COMPLETED DUAL-CREDIT CLASSES IN 2023

CAREER & TECHNICAL EDUCATION

Career and Technical (CTE) classes provide quality work-based learning programs, relevant academic skills and workforce behaviors necessary for success. These courses can include culinary arts, accounting, welding, building trades and more.

78% STUDENTS PARTICIPATED IN A CTE COURSE IN 2023

COLLEGE-READY INDICATORS

Standardized testing has traditionally been used as the primary college readiness indicator, but schools now recognize student success is more complex. Experts around the country are "redefining ready" to include data markers such as Algebra II grades, GPA, attendance and more. Here's a look at TLHS data in a few of these areas.

GRADE POINT AVERAGE

High school grade point average is consistently the strongest predictor of 4-year college outcomes. Studies show that students with a 2.8 or higher show increased success.

66% OF THREE LAKES STUDENTS EARNED A 2.8 OR HIGHER

AVERAGE GPA AT TLHS **3.13**

HIGH LEVEL MATH

Earning a C or better in Algebra 2 is another strong indicator of college success.

63% OF TLHS STUDENTS EARNED AT LEAST A C IN ALGEBRA 2

STANDARDIZED TESTS

Students take the ACT test during their junior year. These tests are an indication of college readiness and core-subject understanding.

19.8 ACT COMPOSITE SCORE

OUR BLUEJAY STORY

COMMUNITY INVOLVEMENT

Every school district has points of pride — those pieces of education that don't necessarily show up in data sets or state reporting. At Three Lakes High School, we are incredibly proud of our greater community, which includes our staff, students, community members, community organizations and more. Together, we are what being a Bluejay is all about. Here's a look at a few of the things that set our district apart.

COMMUNITY HUB

Our district buildings are heavily used by our community. The greater Bluejay community uses the gyms, auditorium and commons area routinely. District facility use includes:

**THREE LAKES PUMPKINFEST
PICKLEBALL CLUB
THREE LAKES LIONS CLUB EVENTS
VARIOUS OPEN GYMS
USE BY AREA CAMPS AND CHURCHES
TLSC YOUTH SPORTS PROGRAMS**

Additionally, our fitness center attracts both full-time and summer residents. Members enjoy 24-hour access and use of a full range of equipment.

**NUMBER OF COMMUNITY
FITNESS CENTER MEMBERS** **560**

COMMUNITY SERVICE HOURS

Research shows that community service can be a significant indicator of student success. Through service, students learn about leadership, responsibility, empathy and civic engagement. All students who graduate from TLHS must complete community service hours.

40 **HOURS OF COMMUNITY SERVICE
REQUIRED TO GRADUATE AT TLHS**

LOCAL SCHOLARSHIPS

Each spring, TLHS awards scholarships from community organizations to our graduating seniors. We are proud of the strong support our graduates receive from the community.

**AVERAGE LOCAL SCHOLARSHIPS
AWARDED EACH YEAR** **\$82K**

\$2 MILLION **COMMUNITY SCHOLARSHIPS
AWARDED SINCE 2000**

QUALITY STAFF

At Three Lakes High School, students enjoy small classes with experienced staff. Many of our staff members live in the community, and it's not uncommon to see them at the grocery store, the post office or lending a hand at a community event.

STUDENT SUCCESS

Three Lakes High School offers students so many opportunities to explore careers, passions and interests.

CLUBS/ACTIVITIES

We might be a small district, but we offer big opportunities. Students can choose from athletics, fine arts and more. Many students are involved in multiple activities.

**NUMBER OF CLUBS AND
ACTIVITIES FOR STUDENTS** **26**

WIAA SCHOLAR-ATHLETE

Each year, the WIAA recognizes 32 athletes from around the state who achieve high standards in sports and academics. Since 2018, Three Lakes has had more scholar athletes than any school in the state.
