Meeting was called to order and November minutes were approved.

Bank account: \$9,914.79

CD: \$12,463.99

Income since last meeting: \$951 Santa Workshop donations

\$13.50 Got Sneakers

\$38.50 Box Tops

Santa Workshop: It was a success. Women's Club helped with wrapping in the morning and parents/grandparents volunteered in the afternoon. Set up and clean up went well and had enough help. Thank you to everyone who volunteered!!

Shopping has happened on sale items and about \$850 has been spent already for gifts and wrapping to go towards next year's event. We will continue to look for gifts on clearance under \$5 throughout the year. Please email the PTO if you have any questions on this event and ways you could help. Donations were made by Dollar General and Farm & Fleet. Thank you notes were sent out to them as well as Women's club and Saint Nicholas.

We also discussed having name tags attached to paper sent home for next year so students can fill them out ahead of time.

Got Sneaker Fundraiser: have a bag ready to send in under their new terms and will reevaluate to see if it is worth the effort going forward.

Minted Fundraiser: waiting to see the end of year donation amount.

Spring Fundraiser ideas? Vinyl Sticker Contest (bluejay themed) idea

Will come to next meeting with some!

Charlie Volk requested a donation for Ski Brule Field trip for grade 4-6. Cost has gone up to \$34 per person. We will discuss at our next meeting.
