

Three Lakes School District

2022 OPERATIONAL REFERENDUM

IF APPROVED, SCHOOL PROPERTY TAX RATES WILL NOT INCREASE

✓ On **Tuesday, Nov. 8, 2022**, TLSD residents will vote on renewing an operational referendum that allows our district to exceed state-imposed revenue limits by \$4.25 million per year for the next five years.

✓ This referendum is necessary because of how the current state funding formula works. Many districts like ours do not receive enough revenue to fund our regular day-to-day needs.

✓ Three Lakes voters have supported similar referendums in 2006, 2010, 2013 and 2017 to maintain our high-quality programs.

✓ If approved, school property taxes will not increase. Mill rates will go down in 2023-24 due to increased property values. The TLSD mill rate is estimated to be \$5.34, which is the **lowest rate** in the Northern Lakes Conference.
