

ROBIN REPORT

SUGAR CAMP ELEMENTARY NEWS

Welcome to the 2019-20 school year! This is the first newsletter of the year, and you'll receive one each Friday so be sure to check your inbox. Also, please [follow the district on Facebook](#) for daily updates. And if you haven't already, [please download the district calendar](#). As always, [let us know](#) if you have any questions.

Welcome Back, Robins!

Welcome back, Robins! The 2019-20 school year is off to a good start, and we're so excited to have our students back in school. This week has been full of getting-to-know-each-other activities as we adjust to new schedules, new teachers and new friends. [Take a look at a few first-day photos by clicking on this gallery.](#)

New Parking for Sugar Camp

Parking this year at Sugar Camp will be a little different. Parents dropping off students should use the entrance closest to the garage and then exit using the same exit as the busses. If you are not going in the building, use the drop off lane that will be indicated with a white line. These changes were made to improve the flow of traffic.

Security Camera Update

As part of the district's goal of providing a safe and secure environment, security cameras have been installed at Sugar Camp Elementary and the Three Lakes campuses. This effort was completed under the health and safety grants that the district received this past year. To read about the guidelines we'll be using for security camera usage, [please click here.](#)

Please Turn in Your Paperwork!

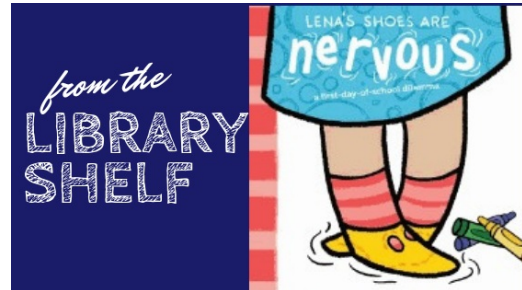

With the start of the school year comes an influx

of paperwork. Please be sure to turn in the following: demographics signature page, agenda signature page, early-release form, milk snack form and your picture-day form. Students in grades 4K, K, 2nd and 6th also need to turn in a Northwoods Dental Project form by Sept. 16.

From the Library Shelf

Welcome back to school, everyone! We are so excited to see familiar faces and some new ones, too! The first book the library would like to recommend goes out to those little ones in our school who were probably a bit nervous on Tuesday. [Lena's Shoes Are Nervous: A First-Day-of-School Dilemma](#) is a colorful, touching book that our new 4K and K students might relate to.
