

ROBIN REPORT

SUGAR CAMP ELEMENTARY NEWS

Did you lose power this week? We sure did at Sugar Camp, but the outage only lasted a couple of hours and then we were back up and running. During the outage, we sent out an alert email/text/phone call, so if you DID NOT receive that, please let us know. The alert system is how we communicate emergencies and important information, so it's important that we have your correct phone and email on file. Take a look below to see what else is new this week, and as always, [let us know](#) if you have any questions.

Warm Clothing Reminder

Please remember to send in seasonally appropriate clothing for your students! It's getting really chilly some days, so students are starting to need hats, gloves and warm coats. Also, if you are in need of winter clothing, stop by the office for an application for the [Warm the Children program](#), which purchases winter clothing for low-income families. Children ages 0-2 receive \$75 for clothing, and children 2-17 receive \$150.

Maybe a Mermaid Author Visits

We were pleased to welcome home Ms. Josephine Cameron this week. Ms. Cameron is a Sugar Camp native, Three Lakes graduate AND the author of the children's book *Maybe a Mermaid*. She talked to students about story inspiration and the process of writing a book. She'll also be at the grand opening of Mind Chimes Bookshop this weekend in Three Lakes if you'd like to get an autographed copy!

Spotlight on Local Cranberries

Fourth grade is a really special year in social studies, because it's when students learn about Wisconsin history and culture. This week, fourth graders from Sugar Camp and Three Lakes took a tour of Tamarack Flowage Cranberry right here in Three Lakes to learn about cranberry farming. Did you know Wisconsin is the leading producer of cranberries? Ask your student about the field trip!

Fire Safety Week at Sugar Camp

All classes at Sugar Camp had a chance to visit the fire station this week AND go through the fire safety "smoke house," which is a mobile classroom that illustrates fire safety. We'd especially like to thank bus driver Mr. McDonald, who volunteered to drive students back and forth because it was pouring the morning of the visit!
