

# ROBIN REPORT

SUGAR CAMP ELEMENTARY NEWS

Hip-hip-hooray! It's a three-day weekend for our students, and we hope you enjoy the little break for parent/teacher conferences. Although this week was short, it was definitely full of some good photo opportunities, so be sure to click through to the galleries! Take a look below to see this week's news, and as always, [let us know](#) if you have any questions.

## Veterans Day Photo Gallery

A big "thank you" goes out to all of you who helped or attended our Veterans Day program on Monday. It was a great time of honoring our veterans, and we're so proud of the roles our students played in the program. The singing was fantastic! If you weren't able to attend, be sure to [click here to see a photo gallery](#) from all of the district programs.

## Celebrating the 50th Day of School

When it's the 50th day of school, you have to do SOMETHING a little fun, right? This week, Sugar Camp staff and students went back to the 50s to celebrate the 50th day. They even held a sock hop in the afternoon, complete with a little hand jive dancing, a lot of poodle skirts and some slick comb backs. [Take a look at a few photos by clicking here.](#)

## Gun Safety and Hunter Awareness

It's almost time for the opener of the Wisconsin gun deer season, which means it's time for a friendly reminder about gun safety and hunter awareness. On **Thursday, Nov. 21**, our student council will hold a "Wear Blaze Orange" Day. They'll also have a pin-the-antlers-on-the-deer contest during the 10:15 recess. They'd like to remind everyone to, "have fun, be safe, and good luck hunting!"

You can hear it across Wisconsin this week: 8-2! The Packers are having a great 2019-20 season, wouldn't you agree? Why not celebrate a job well done with a book from the library? [The Green Bay Packers Story](#) is a great way to learn more about the Packers while basking in the glow of a successful season so far. Read it today, preferably in your Rodgers jersey!
