- 1/19 Conservation Speeches
Library Competition
- 1/25 Conservation Speeches
Local Competition
- 1/26 Early Release Day

Ice Rink Open for Business!

The skating rink is open, thanks to Pat and Mike Holewinski and to the Sugar Camp Fire Department for the use of their equipment. The warming house is also open and will remain so through the season. For those families who want to skate in the evening, there is a light on a timer that illuminates the rink each night until 10 p.m. The rink is also available on weekends. Students at school can skate at each recess and the only requirement is that they are able to put on and take off their skates independently. We recommend skate guards or a cloth bag to transport skates to and from the rink.

Also, if you wish for your child to have a helmet, knee guards, etc. send those along. If you do not want your child to skate, please send a written notice to the school office.

Early Release Day

Plan ahead for early dismissal on Friday, January 26. Busses will leave Sugar Camp School at 12:45. Please make your childcare plans as needed.

From the Library Shelf...

The Wild Robot by: Peter Brown is a charming and exciting book about a robot named Roz who is washed ashore on a remote and wild island. Unaware of how to adjust to her new surroundings, Roz must figure out how to survive in this uncharted territory. Will she be able to live through such events as brutal storms and vicious bear attacks? Read to find out what happens when technology and the wilderness collide!

2018

*"May light always surround you;
hope kindle and rebound you.
May your hurts turn to healing;
your heart embrace feeling.
May wounds become wisdom;
every kindness a prism.
May laughter infect you;
your passions resurrect you.
May goodness inspire; your deepest desires.
Through all that you reach for,
May your arms never tire."*

D. Simone

Reading Buddies

The fifth grade met with their 4K reading buddies for the first time of this school year. They enjoyed hot cocoa, donuts, and shared favorite Christmas stories. The fifth graders also joined their 4K buddies outside for recess and gave them a tour of the playground. The students look forward to their monthly activity!

Student Council

Student Council held their annual candy cane sale. This year they chose Northern Lakes NAMI (National Alliance on Mental Illness) to donate their money to. They raised a total of \$327.00. In addition to the fundraiser, members of the student council each researched a common childhood mental illness, and presented their information at a school wide assembly. They also invited a speaker in from NAMI who spoke to the student body about mental illnesses. Student Council's goal was to heighten awareness of mental illnesses and to remind those that have a mental illness, "You are not alone!" Thank you to all who purchased candy canes! Great job, Student Council!
