Please submit the order form along with the money to the school office by March 12. Cookies will be sent home with students on Friday, March 16. If you have any questions contact Ann Ovsak at 715-401-0420.

March 12-14th is National Girl Scout Week! Sugar Camp Troop #7434 is working on starting a Sugar Camp community project called **Kindness Rocks**. Even if you are not a Girl Scout you too can help with the project. Just paint rocks and put a positive message on them. The girls will be placing them all over Sugar Camp and as you find them you can take a picture of yourself and put it on the Sugar Camp Rocks Facebook page! Take one, leave one, or be the reason someone smiles! #SugarCampRocks

If your child will be 4-years old by September 1, it is time to register for 4K! Just stop in the school office!

From the Library Shelf...

Jack and Annie are characters in the Magic Tree House series and they always find themselves in interesting situations! In Leprechauns in Late Winter, they find a young Irish girl named Augusta Gregory, who later ends up being a real-life Irish icon! The adventures that they find themselves in in this story end up inspiring the future Augusta to bring back old Irish legends, open a theater, and influence Irish citizens to be proud of their heritage and past. This is a great book to read to get into the St. Patrick's Day spirit!

4K News

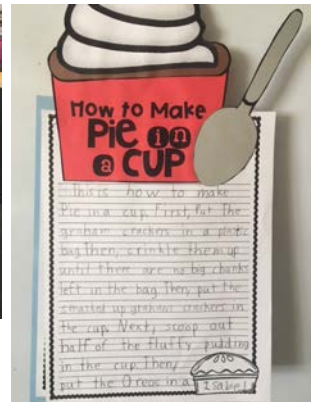

Mrs. Griesbach's 4K class spent last week talking about community helpers. Community helpers are people who live in our community that help to make our lives better. Mrs. Griesbach invited in a few special guests to talk to her students about the jobs they do. The special guests were Lori VandeVoort, N.P., who runs the clinic in Three Lakes, Sergeant Brad Fogerty from the Oneida County Sheriff's Office, and Greg Plautz from the Rhinelander Fire Department. The kids loved meeting these special people and learning about what they do!

Mrs. Griesbach's 4K class also celebrated Dr. Seuss week by making green eggs after they read the story "Green Eggs and Ham". After Mrs. Griesbach cracked the eggs, the kids put them in a bowl and mixed them up with food coloring. The students watched from the tray line as Mrs. Griesbach cooked the eggs in the kitchen. Then, everyone enjoyed the treat!

Third Grade News

Last week the 2nd and 3rd graders worked on how-to writing. They spent the week brainstorming steps to make pie in a cup and got to celebrate their work with a tasty treat! Students had to use descriptive sensory words, sequencing, transition words, and of course good mechanics to describe how to create (and more importantly) eat this delicious snack! Between the pudding, graham cracker crust, gummy bears, oreos, and whipped cream, it's safe to say that how-to writing is now a favorite in Mrs. Pichowski's room!
