God Bless America!

## Students Go Down Hill Skiing!

This year, students in grades 4-6 from Sugar Camp and Three Lakes experienced down hill skiing in Physical Education. They were able to go to Ski Brule for a day. For a fee of \$10 the students received a lesson, rental equipment, lift ticket and a lunch. The students were prepared for this by first doing the skating and cross-country skiing units earlier in the year. A lesson was provided on how to get on and off chairlifts and what to bring for the day. Students had fun all day and for many, it was their first time to experience skiing. As the day went on, skill level and confidence increased with each time down the hill. Some students did not even want to come in for lunch. Thanks go to those who made this trip possible. These include the teachers, who made their schedules flexible so the students could get this experience and learn another lifetime activity, and the organizations who donated money to offset some of the cost for lift tickets: **Sugar Camp Youth Club, Sugar Camp SCO, and the Three Lakes PTO.**

Thanks for your support and help with this opportunity for the students.

## The Big Maple Syrup Challenge Is On!

It's maple sap collecting time for the 4th grade! They've got their maples named and tapped, and the competition for the most sap produced has begun. The sap will be picked up and boiled down by Elaine Thorn, our maple syrup expert on Camp Four Road. Thanks so much to Mr. Wales for drilling the holes in our trees and pounding in the taps, and to Mrs. Thorn for assisting us by making the syrup. This is definitely a "sweet" school/community team project!

## Dates to Remember

- 4/3 Back to School
- 4/9 Sixth-grade Informational meeting with Mr. Bock regarding class scheduling for next school year
- 4/9-12 Sixth-grade parents/students review scheduling materials
- 4/12 Sixth-grade students enter course selection in PowerSchool
- 4/15 SCO Meeting 6 p.m.
- 4/17-26 State Testing-grades 3-6
- 5/2 SCO Sponsors Silver Express 2 p.m.
- 5/18 SCO Sponsors Healthy Kids Walk 2 p.m.
- 5/25 SCO Sponsors Ice Cream Social 2 p.m.

*Happy Easter*

*Enjoy your break*

## 4K Registration

If your child will be 4-years old by September 1, it is time to register for 4K! Just stop in the school office!

Items to bring along include a birth certificate and immunization record.

## From the Library Shelf...

After a long, cold Wisconsin winter, it's that time of year again: maple syrup time!! The 4th graders have begun their sap collecting and many families are preparing to participate in this special tradition. In honor of this delicious and time-honored treat, the library recommends a book that will teach you more about the maple syrup making process. From Maple Trees to Maple Syrup is a nonfiction text geared toward younger readers, but will whet the appetite of all readers. Learn more about this fascinating art today!

**Above:** Just recently our 6th graders finished up their D.A.R.E. program for the 2017-18 school year. Our students have had the privilege of participating in D.A.R.E. for a number of years. Deputy Adams, our own D.A.R.E. officer, shared his wealth of knowledge with our students discussing topics such as drug/alcohol awareness, dealing with peer pressure, bullying, as well as what's trending out on social media. The class ended with our annual graduation program and game of Lightening. A big thank you goes out to Deputy Adams again for his commitment to our future generation!

**Below:** The 6th graders headed out in the snow this past month to learn about animal tracks, plaster casting, and survival skills. Students tracked animals such as squirrels, mice, birds, deer, rabbits, and even a coyote. They later followed up by making plaster casts of common animal tracks of northern Wisconsin. They finished up the day learning about a ball python named Google, as well as learning how to build a fire outdoors. Flint and steel were attempted, but matches won out in the end. Thank you, Trees For Tomorrow, for another fun-filled, educational day in the great Northwoods!

**Lunch Menu**

Monday – Last day of break, enjoy!  
 Tuesday – Chicken nuggets, mashed potatoes, gravy, corn, fruit.  
 Wednesday – Mozzarella dippers, spinach, carrots, fruit.  
 Thursday – Orange chicken, rice, mixed peppers, fruit.
