- 6/6 Field Day
- 6/6 Last Day for Students

Madison

On Friday April 27th, the 4th graders from Sugar Camp and Three Lakes took their big field trip to Madison. While in our capital city, they spent time at the Henry Vilas Zoo, the Wisconsin Historical Museum, and the state capitol. This field trip was a fantastic way to top off a year of studying Wisconsin, past and present. Thanks so much to our wonderful **SCO** for helping to sponsor the trip!

Tech Update: Chromebook Filter Changes

Three Lakes School District is implementing a new application that allows continuous filtering of school Chromebooks, whether they’re used at school or off-site. The means website restrictions at school will also be in place wherever students use their Chromebooks. Students in grades 5-12 are issued Chromebooks each year. While schools have always been required to filter objectionable content on the school network for student safety, this approach is specific to the device rather than the location. These devices are provided for school-related use, and the sites allowed on them reflect that. Although this filter adds another layer of safety, keep in mind that nothing is totally effective so please continue to monitor your son’s or daughter’s technology use at home. As always, feel free to contact the District with questions or concerns.

Lions Club

Please support our local Lions Club organization by attending their spring all you can eat “Fish Fry”. It will be held on Friday, May 11, starting at 5 p.m. at the Sugar Camp Town Hall.

SCO Meeting

The final meeting of the SCO will be on Sunday, May 20. It will take place at Moondance starting at 6 p.m. All are welcome to attend.

From the Library Shelf...

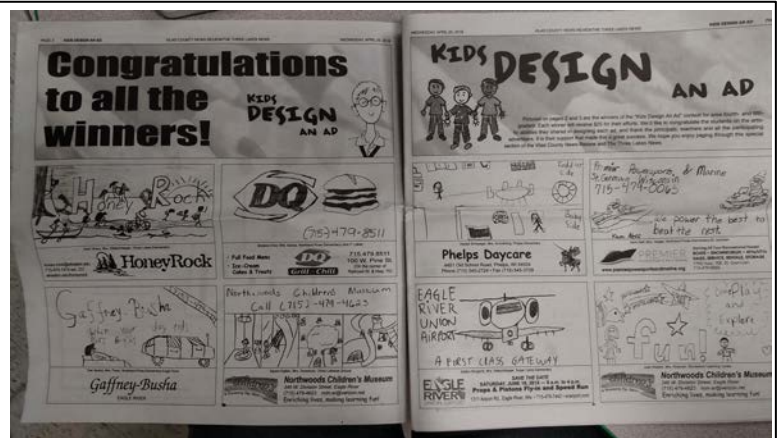

Today marks the end of the 2017-2018 March Madness competition! While we won’t know which book won upon publication of this week’s newsletter, we can’t help but

recommend one of the championship titles. The Day the Crayons Came Home by Drew Daywalt is a HILARIOUS sequel to The Day the Crayons Quit. It highlights what those silly crayons have been up to, including their adventures and the pickles in which they’ve found themselves. Parents, let your child read you this book. Believe us, they know it by heart!

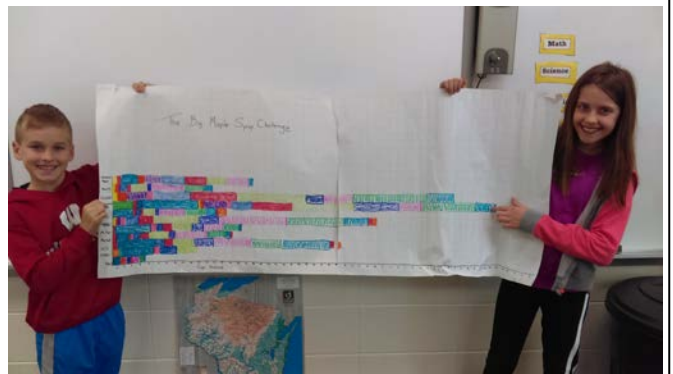

Kids Design An Ad

In cooperation with the Three Lakes News Review and the Vilas County News, Mrs. Wallschlaeger's 3rd, 4th and 5th grade art classes participated in the "Kids Design An Ad" for local businesses. Three Lakes and Sugar Camp Elementary students based their choices on their favorite places, places of employment for their parents, or best places to eat. They had only one art class to complete this task and they were very successful! Please check your paper for this special publication. Noel Sharp, from Three Lakes and Kaitlyn Borgardt from Sugar Camp Elementary are the winners! They will receive a \$25 check for their efforts. Congratulations to them and all the other students who are represented in this community project.

Springtime is Sap Time!

Last week the 4th Grade completed their Big Maple Syrup Challenge competition. The winners of this year's sap collecting were Kaylee Cornelius and Levi Lurvey with their top producing tree, Milwaukee Buck. Milwaukee Buck produced 51 pints of sap this season. Second place went to Izzy Cruckson and Trevor Stefonek with their tree, Gizmeow. Third place went to Emily Garcia and Melanie Stauffer with their tree, Grandpa Winner. All total, the fourth-graders collected a little over 245 pints of sap. Thanks so much to Elaine Thorn, our neighbor down Camp Four Road, who picked up the sap and boiled it down, as well as inviting the fourth-graders to come over to learn about the sap boiling process and take a taste. It was a sweet experience!

More Pictures from Madison!
