Safety Plan

With April comes a reminder that we've entered tornado season. Last week, the entire district practiced a simulated tornado watch and warning. We will also be practicing safety and lockdown drills in upcoming weeks as part of our overall school safety plan. The district's safety plan, which was created with input from local law enforcement, is comprehensive and covers many situations.

The Book Fair is coming!

Our annual spring fair will be held April 30 - May 4, volunteers are needed! Please call or text Michele Cornelius (715) 499-0787 if you can spare an hour or two to help with this rewarding event. The fair is typically open during lunch (11:30 - 12:30 p.m.) and at the end of the school day (3:15 - 3:45 p.m.). All parents, grandparents and friends are welcome!

Food Drive

Student Council is sponsoring their annual food drive from April 30-May 4. They are asking for donations of non-perishable food items. All items will help benefit the Three Lakes Food Pantry. Bring in your canned or boxed food, paper products, or other non-perishable household items and place them in the box outside your classroom door. Adults, if you will be attending the talent show on May 4, we ask that you bring in a non-perishable item the day of the show. Thank you for your support!

Earth Day

Plastic objects that we use once and discard, or single use plastics, are a growing critical problem of global proportion. That's why this Earth Day, April 22, 2018, is focused on **Ending Plastic Pollution by Earth Day 2020**, the 50th anniversary of Earth Day. To see what you can do to help stop plastic pollution visit www.earthday.org.

From the Library Shelf...

Attention, Sugar Campers! If you haven't read The 50 States by Gabrielle Balkan yet, you need to check it out! This new book has been FLYING off of the shelf, so naturally the library had to recommend it for this week's read. This book is filled with interesting facts about each state in the United States of America. Facts range from famous people from those states, popular cities/activities to do there, state facts, and more. The illustrations are beautiful, and the information you'll learn is valuable. Overall, this is a book that you must read. Check it out before it's gone again!

Never Forgotten Honor Flight

Vern Stefonek, born, raised, and a lifelong resident of Sugar Camp will be traveling to Washington D.C. with the **Never Forgotten Honor Flight** in May. Growing up in Sugar Camp, he attended Sugar Camp School. After elementary school, he made the decision to attend Holy Cross Seminary in LaCrosse, followed by Mount St. Paul Seminary in Waukesha. It was after his time in the seminary that he enlisted in the United States Navy. His service started in Pensacola, Florida, then on to Scotland, Guam, and finally Imperial Beach in California. Vern has been an active member of the Sugar Camp Community for years and is someone who always thinks of the students and staff at Sugar Camp School through numerous donations. We want to thank Vern for his years of service in the military to our country on our behalf.

In addition, one part of the Honor Flight is "Mail Call", which is mail from home. We would like to encourage students, parents, and staff to send a card, note, or letter to Vern so that he will receive it as a part of this special event in his life. Cards and letters must be received no later than May 11.
