

**School District of Three Lakes**  
**“Personal Education, Lifetime Inspiration”**  
**District Goals 2019-2020**

- A. Curriculum/Instruction (LRP - B)**
1. **Increase academic offerings. (LRP – B3)**
    - a. Continue to seek additional instructional options from our education and business partners.
    - b. Conduct a curriculum review to ensure that Wisconsin Standards are implemented with the appropriate scope & sequence throughout the district.
    - c. Introduce staff to standards-based grading.
    - d. Continue to develop opportunities for our students with independent studies and on-line coursework to augment their academic career plans.
  2. **Ensure that relevant skills (collaboration/communication, creativity/imagination, critical thinking, problem solving) and authentic assessment are integrated throughout our curriculum. (LRP – B4)**
  3. **Investigate the possibility for the development of a high quality early childhood engagement strategy. (LRP – B5)**
- B. Staff/Student Engagement (LRP - C)**
1. **Continue to research and develop additional staff wellness activities. (LRP – C3)**
- C. Technology (LRP - D)**
1. **Develop a long-range technology plan for infrastructure and process skills.**
    - b. Develop an ongoing professional development plan that incorporates technology to enhance educational outcomes.
      - iii. Develop individual professional development training plans to meet the professional development goals.
    - c. Establish a scope & sequence for the use of technology in relation to our curriculum, including research and information skills.
    - d. Develop and implement an internet safety scope & sequence across all grade levels.
  2. **Explore and develop concepts that support the engineering and design process at the elementary level to enhance instructional outcomes.**
  3. **Explore information management structure.**
- D. School Forest Development**
- E. Review Sugar Camp staffing and facility needs.**

*LRP = Long Range Plan*
