

April 23, 2018

Dear Parents and Guardians,

It's time to think about the Three Lakes School District Summer Recreation program now that the temperatures are warming up a bit. This program was organized to improve recreational and educational opportunities for our students. This is a popular program in June and has been well attended the past several years.

Again this year, the program is available for school district residents **entering grades 1-7** in the fall of 2018, and it is free to all participants. Please note that this does not include students entering Kindergarten in the fall.

The Summer Recreation Program will run weekdays, from **9:00 am-12:00 pm** from **June 18 - June 29** at the Three Lakes School campus. Students will be grouped together by age and will have the opportunity to participate in a variety of recreational activities. The purpose of this program is to engage all district residents and continue building on the educational and recreational opportunities offered to our students. With two full gyms and playing field access, students will be quite active. Although we'll be outdoors quite a bit, the program will run rain or shine with activities being adapted for inclement weather.

All participants will receive a snack break each day and transportation will be available for Sugar Camp families. The bus will transport students to and from Sugar Camp Elementary with an 8:35 am pick-up time and a 12:15 pm drop-off time. Students will be supervised on the bus and at Sugar Camp School before and after the bus ride. All parents and guardians are welcome to arrange transportation to and from the Three Lakes School campus as they see fit.

Please fill out and return the attached form, letting us know about the interest of your child in the Three Lakes School District Summer Recreation Program. We look forward to working with your child this summer!

Sincerely,

Steve Gruszynski  
Three Lakes Elementary Principal
