After-School Study
Three Lakes Junior High School
Three Lakes High School

The After-School Program will be starting on Tuesday September 12th and will meet on Tuesdays and Thursdays from 3:20-5:30 p.m. The After-School Study Program is to assist with homework and project completion. This is a free service with a nutritious snack provided. Peggy Bennett and Shannon Lax will be supervising the program in the High School and Wendy Walker will be organizing the Elementary program.

Attendance in this program requires your permission. An After-School Study consent form is required each day your child attends. Forms are available on Mrs. Walker's website, from a classroom teacher, and the Elementary/High School Offices. The form needs to be turned into the office by 12:00 noon on the day of the After-School Study.

School transportation is available at 5:30 p.m. Parents may pick up their child earlier than 5:30 p.m. in **Room 121** (Wendy Walker's Elementary Classroom) for grades K-6. Students may be picked up in **Room 227** (Media Lab) for grades 7-12th. Make sure that the after-school leaders are notified if you plan to take your child home early and that office secretaries have been notified to inform the late bus drivers. Please to be sure to contact those people by 2:15 p.m..

If you have any questions, feel free to contact Mrs. Walker at 715-546-3323 ext 3121, Peggy Bennett 715-546-3321 ext 3227 or myself, Tyler Lorenz, at 715-546-3321 ext 3217.
